

The University of Winnipeg Canwest Centre for Theatre and Film is located at 400 Colony. The building is familiar to many as “the old Salvation Army building on Memorial Avenue” and is situated next to “the old Gray Hound Depot”.

To enter the University of Winnipeg Canwest Centre for Theatre and Film you proceed up a very long ramp from Colony Street, very close to the intersection with Ellice Street.

*If traveling by car, please be aware that Colony between Portage and Ellice is a one way northbound. Therefore you can only turn down Colony from Portage Avenue (east or west bound).

There is plenty of street parking in the surrounding blocks. There are also two Impark parking lots adjacent to the building.

Please see map link for more details or call 989-2400 if confusion still reigns!
